IDENTIFICATION OF COPENDING APPLICATION

Honorable Commissioner of  
Patent and Trademarks  
Washington, D.C. 20231

Sir:

The attention of the Patent Office is drawn to copending application Serial No. 09/665,582 filed September 18, 2000, which may contain technical subject matter related to that of the present invention. This identification is not to be construed as a waiver of secrecy as to the cited application now or upon issuance of the present application as a patent. The examiner is respectfully requested to consider the cited application and the art cited therein during the examination of this application.

Respectfully submitted,
